Although this ship is named after today's King of Norway, Harald, you will find other famous Norwegians on board as well: The bar is named after Nobel Peace Laureate, the Norwegian polar pioneer Fridtjof Nansen and the café is named after explorer Roald Amundsen. As with MS Richard With, MS Kong Harald was launched in 1993 to mark Hurtigruten's centenary. In the ship's interior you will see decorative details of the King's Crown emblem.
